Mails for Canada close at 5:00 a. m.
Southern and Northern way mail close at 5:00 p. m.

Strangers' Guide.

Mrs. Y. M. C. A. meets every Monday evening at their rooms over Wm. N. Smith's Store, Main Street.

Chapman Chapter No. 1, R. A. M., meets the third Wednesday evening in each month, at their hall in Wheeler's block, Main Street.

Columbian Council No. 1, R. & S. M., meets the second Wednesday evening in each month, at their hall in Wheeler's block.

Franklin Lodge No. 4, F. & A. M., meets the third Wednesday evening in each month, at their hall in Union Block, Main Street.

Crystal Fountain, Temple of Honor No. 4, meets every Tuesday evening at their hall in Barnes block, Lake Street.

St. Albans Lodge No. 32, I. O. of G. T., meets every Friday evening at their hall in Barnes block, Lake Street.

Rising Sun Lodge No. 8, I. O. of G. T., meets every Saturday evening, at St. Albans Bay.

St. John the Baptist Benevolent Society (Canadian) meets on the first and third Wednesday evening of each month at their hall over E. H. Huntington's Store.

To Advertisers.—The Vermont Daily Transcript has the largest circulation in St. Albans and in Franklin County, of any daily paper, and on that account, if no other, the best medium for advertising.

Local Items.

Interesting matter, original or selected, may always be found on the first page.

OUR DAILY.—Those wishing to secure copies of our daily paper can do so at Merrifield's and Baker's bookstores, as well as of carriers, and at the office. Copies of our weekly paper may also be had at these places.

SANATORIAN.—Dr. Crabtree will be at the Welden House to-morrow, and can be consulted at his rooms.

TEACHERS INSTITUTE.—The Teachers Institute for this section of the State will be held at Georgia to-morrow and Wednesday. We understand that in view of this meeting of the Institute no schools will be held in the Academy during the time.

BOTH HOUSES of the Legislature adjourned on Saturday afternoon at 4 o'clock on Tuesday afternoon.

RESIDENCE on Northfield Street for sale. See advertisement in another column.

THE FLAG again waves over the depot. Thieves have done their worst but the flag is there. Mr. George L. Stone has purchased a new flag of the "Stars and Stripes" pattern to take the place of the one that was stolen. It is a beautiful flag with the names of Grant and Colfax inscribed thereon, with letters so large that the names can be read throughout the village. "Grant and Colfax," especially does the name of "Grant" adorn that flag—how appropriately. The National Ensign which U. S. Grant carried in triumph through the greatest war of modern times to save his country, bear his name. There may it be inscribed, ay, when the elections have passed, and when the last of the present generation has passed away, may the name of "Grant" remain. May the flag wave over our election to-morrow and in triumph afterwards. The "Stars and Stripes," who would pull down that flag, some foreigner? guess not. Some of Jeff Davis's graybacks? no. No decent man would pull it down. It is the only Grant and Colfax flag in town, if not in Franklin County. Seymour and Blair have none, nor are they entitled to any. Gentlemen if you can't vote the ticket, please let the flag alone, it waves for you.

THE HIGH WIND OF SATURDAY.—On account of the severe gale of Saturday, the steamers on the lake run very irregularly and some of them were prevented from running entirely. During the afternoon a schooner broke away from the brake water in Burlington harbor and lost her masts and boom, but was recovered and taken ashore near Linsley's Steam Mill in such a damaged condition that it required a constant use of pumps to keep her afloat.

The canal boat A. S. Baker was sunk near Linsley's mill and is a total loss.

The shipping at Rouse's Point was compelled to seek shelter behind the Railroad bridge and the wharves for safety. One tow of barges in fallast went ashore, and a tug steamer got aground in endeavoring to pick them up, but we do not learn that any great damage was done. Upon the whole, the gale of Saturday may be considered the most severe of any on the lake for many years.

ELECTION RETURNS.—The Grant and Colfax club of Burlington, have made arrangements with the Telegraph Company, for full dispatches to-morrow evening, concerning election. It is to be hoped that the Grant club of St. Albans, which has labored with such remarkable zeal and earnestness for the Republican cause, will follow the worthy example of the Burlington club.

SONS OF TEMPERANCE.—The Grand Division of the Sons of Temperance of the State of Vermont held their annual session at the Hall of Ottaquechee Division, Woodstock, Wednesday, October 21st, and elected the following as officers for the year ensuing: For G. W. P., James Squires, No. Ferrisburgh; G. W. A., Rufus Rogers, Shelburne; G. S., H. T. Dennis, Woodstock; G. T. A., A. D. Kin, No. Ferrisburgh; G. Chap., Dr. Lorenzo Sheldon, West Rutland; G. Con. A. E. French, Woodstock; G. Sen., H. W. Walker, So. Woodstock.

ESCAPED.—Bernard Farrell, who was committed to Bennington jail for attempting to shoot Rev. Father Ryan, the Catholic priest of that place, some time since, escaped Wednesday night, and is still at large.

RAILROAD ACCIDENT.—A train of eight cars on the Vermont Central railroad, loaded with hogs, ran off the track above White River Junction Thursday noon, causing considerable of a smash-up, but no lives were lost.

SAD ACCIDENT.—A son of E. S. Morgan, of South Woodstock, aged 15 years, suffered a painfully sad accident on Thursday last, which makes him a cripple for life. While attempting to get upon a wagon-load of apples by stepping on the wheel while the team was in motion, his foot passed through between the spokes, and before the team could be stopped his leg was literally twisted off at the knee, and the flesh terribly torn. The leg was amputated.

PERSONAL.—By a donation of \$1000, Moses Kittredge, Esq., of St. Johnsbury, has founded the "Kittredge" scholarship in Dartmouth College.

Rev. N. Pierce, late of Bellows Falls, has accepted a call to the Baptist Church in Cold-water, Mich.

Wm. W. Peck, formerly of Burlington, has been addressing numerous Republican gatherings in and about New York City.

Mr. Robert Bonner, of the New York Ledger, and Mr. Marquand have each given \$10,000 to establish a gymnasium at Princeton College, of which Rev. Dr. McCosh has recently been elected President.

The venerable Dr. Sprague, pastor of the Second Presbyterian Church, Albany, N. Y., preached to his people on the last Sabbath of August, (30, 1868,) the sermon which he preached Aug. 30, 1818—just 50 years before. It was his first sermon.

The N. Y. Sun, in an article on the "Blair family," says: "The Blairs are unselfish; every one of them cares as much for either of the others as he does for himself."

Rev. W. H. Gilbert has resigned his position as principal of the English and Classical School at Norwich, and he will now devote himself entirely to the work of the Vermont Bible Society, of which he has been for some years the acceptable Corresponding Secretary and Agent.

THE NEW BASIN.—The Burlington Times says: We a day or two since, in company with Mr. L. Whitney of Keeseville, contractor for the work, visited the new basin, which is to form the nucleus of what will undoubtedly be known as "the Rutland docks," located a few rods south of the Rutland passenger depot in this city.

The work of excavating was commenced on the 16th of July last, and so difficult was the work deemed to be, on account of the soft, mucky ground in which it was to be performed that until January, 1870, was given Capt. Whitney for the execution of his contract. The result, however, has been much better than anticipated, a substantial lake sand bottom having been reached, and we are assured by Mr. W. that he confidently expects to turn the work over to its owners, completed, in one year from the time excavation began. The work consists of a main basin, with two canals one leading north from the northeastern corner, and another extending south from the south-westerly corner, besides a neck or canal from the lake by which boats are to enter to receive and deposit their cargoes. The basin proper is to be 300 feet square inside of docks, the northerly canal 600 feet long and 50 feet wide inside of docks, and the southerly canal 368 feet long and 75 feet wide, in-

side. This latter canal, we understand, is at a future time to be lengthened considerably, by the owners of land lying south of it, Messrs. Lawrence, Barnes & Co., and we would not be surprised to see it, ere the lapse of many years, lengthened to the extent of one-fourth of a mile, though the precise steps to be taken in regard to this work are not yet determined upon. The canal leading to the lake is to be about forty feet wide, except at the railroad bridge crossing, where it will be but thirty. This canal, from the basin to the lake, is 200 feet long.

When this work is completed a fine harbor will be afforded, and boats can at all times enter the basin with safety. The land adjacent to the basin and canal docks is owned by the lumber houses of Lawrence Barnes & Co., Eliot & Hall, Otis Shepherd, A. G. Stearns and Kilburn & Gates, several of whom contemplate erecting mills for finishing lumber for market the coming season. The land lying just north of the basin is owned by the Rutland Railroad Company, and will be used by that corporation as a dock for storing lumber and other merchandise.

AMERICAN MISSIONARY ASSOCIATION.—The American Missionary Association commenced its annual meeting in Springfield, Mass., Wednesday, Dr. E. N. Kirk, of Boston, presiding. The receipts since last year were \$304,094, and the expenses \$356,225. The present indebtedness is \$88,726, of which \$51,315 was incurred last year. The society owns property to the amount of \$190,495 in excess of all debts. Rev. John Todd of Pittsfield preached the annual sermon Wednesday evening, and Gen. O. O. Howard of the Freedmen's bureau delivered an address Thursday evening.

RECOVERED.—The bodies that were recovered recently from the central shaft of the Hoosac tunnel were in a remarkable state of preservation. They had laid at the bottom of the shaft for a year, lacking a day or so, and all but one were readily recognized by their friends. It would seem from the appearance of the bodies that they must have known of their peril some time before death. One of the party was partly undressed, another had his hands over his face.—B. Falls Times.

RACE.—On Thursday of this week the celebrated trotters, Coolie and Crazy Jane, are expected to trot at Burlington, for a purse of \$1000, best three in five, to harness. These horses are among the fastest on the turf, having recently beaten 2:30 in public, and an exciting and well contested race may be expected.

AN EMINENT DIVINE, says, "I have been using the Peruvian Syrup. It gives me new vigor, buoyancy of spirits, elasticity of muscle." J. P. Dinmore, 36 Dey Street, New York, will send free pamphlet of 32 pages, containing a full account of this remarkable medicine, to any one sending him their address.

FULTON MARKET.—Just received, a nice lot of Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Pears, Peaches, Water Melons and Musk Melons. d1404.

PROGRESS.—Columbus sailed to the American coast in a four hundred ton ship, and first landed upon the island of St. Domingo. Last week a vessel from St. Domingo unloaded in New York over four hundred tons of St. Croix Rum for P. H. Drake & Co., of that city. That but a few weeks' supply of this article, which these gentlemen use in the manufacture of the celebrated Plantation Bitters. We are informed by an exchange that Messrs. Drake & Co., have not advertised a dollar for a year, but that the sales of this article continue at the former enormous figure. In 1861, the receipts of the Plantation Bitters were equal to those of New York & New Haven Railroad.

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price.

A celebrated chemist says: "I consider, after careful comparison and analysis 'Barrett's Vegetable Hair Restorative' by far the best hair preparation in the market. It is the only one I can fully endorse."—Boston Journal, d4w

Renne's Pain-Killing Magic Oil is recommended to use both externally and internally, and if used faithfully according to the directions on each bottle, it cures pain "like a charm," and when once used by any person, it has a new friend to praise its good virtues. The best praise is to try a bottle. d4w.

THE AMERICAN COOKING STOVE.—Having been so eminently successful at the New York State Fair for the past six years' having been brought in competition with all the best stoves in the country, and having each and every year taken the first premium, and some years two, and having gained a world-wide reputation, and a record of which any one may be justly proud, we would now announce for the consolation of those who have so signally and repeatedly failed in competing with it, and have been so sorely chagrined at their numerous and repeated defeats, that this stove is not entered at this fair for a premium, as premiums have ceased to be of any account; but it is entered only for exhibition, that its thousands of friends and admirers may have the opportunity of examining its various improvements.

SHEAR, PACKARD, & Co., Albany, N. Y. —Rochester Democrat, Sept. 29.

For Sale by D. M. Walker, St. Albans, 240-3.

WHAT MAKES YOUR HAIR SO BEAUTIFUL? MRS. S. A. ALLEN'S Improved (new style) Hair Restorative or Dressing, (in one bottle.) Price One Dollar. Every Druggist sells it.

For many years the Piano Forte has held unquestioned monarchy; but a growing taste for those orchestral effects in playing which the Piano cannot render, has turned attention to the Organ. Cheapness, portableness, and convenience of manipulation are also advantages in the American Organs, as made by Messrs. S. D. & H. W. Smith, of Boston, which eminently recommend them for home, school, and chapel use. A day or two since we visited the new extensive manufactory of the above-named instruments, on Boston Neck, and were surprised at the vast amount of labor in operation, and the completeness of the appliances in use, from the heavy machinery which cuts the stock, to the delicate apparatus which finishes the key work and action. Messrs. S. D. & H. W. Smith are regarded as the best reed Organ manufacturers in the world, and although able to turn out one hundred instruments a week, they have found difficulty in filling orders, which come from all parts of the country. None who hear these popular instruments, with their round, sonorous, sympathetic and expressive tones, are surprised at the favor with which they are regarded by leading musicians. Portland Transcript

DEATHS.

In Hingham, N. Y., Oct. 22, after a lingering illness, Col. Elias Bowker, in the 75th year of his age. Col. B. was well known to the citizens of this county, having been 32 years a resident in the village where he died.

NEW ADVERTISEMENTS.

FOR SALE.

BEING about to leave town, I wish to dispose of my residence on Northfield St., which will be sold for a reasonable sum. For further particulars enquire of me. d145-d4t. B. E. WILLIAMS.

WELDEN SPRING WATER. BY TELEGRAPH

Water from Welden Spring, St. Albans, Vermont, which has proved highly efficacious in Scrofula, Cancer, and all diseases of the skin, and also for Dyspepsia, Kidney and Liver Complaints, General Debility, &c., &c., is now for sale, at wholesale and retail, at 218 Washington Street, where books may be obtained containing an analysis of the Water, with certificates from physicians and others, testifying to its beneficial effects in numerous cases where it has been tried.

MERCHANTS NATIONAL BANK, 28 State Street, Boston, Oct. 7, 1868.

E. S. GOODWIN, Esq., Agent Welden Spring Water.

DEAR SIR: I write to acknowledge the benefit I have received from the Welden Spring Water. I have been troubled with Disease of the Kidneys for many years. I have consulted some of the best physicians in the country and received no relief. Some few months since I was recommended to try the Welden Spring Water. I had not taken it long before I was surprised to see how much good it had done me. Since then I always keep it in my room and seldom drink any other water, knowing eventually it will cure me. As I am anxious that others should be benefited by my experience, I cheerfully recommend it to all suffering with the same disease. Respectfully, J. J. MAY.

[From Francis B. Dixon, Esq., Counselor at Law and Average Adjuster, Boston.]

17 MERCHANTS EXCHANGE, Boston, October 3, 1868.

E. S. GOODWIN.

DEAR SIR: I cheerfully comply with your request to give my candid opinion of the merits of the Welden Spring Water. For some years I have suffered much from Dyspepsia, and having exhausted patent medicines and the prescriptions of many physicians, I was advised to try the Welden Spring Water. I found by taking a glass of the water before meals it acts as a tonic and general regulator of the system, and enables me to eat any kind of food without inconvenience. The only evidence I can give of my appreciation of its virtues is a recommendation to every one suffering from Dyspepsia to try it. Yours truly, FRANK B. DIXON.

QUINCY, MASS., Oct. 3, 1868.

E. S. GOODWIN, Esq.

DEAR SIR: My wife has used your Welden Spring Water, and has received great benefit from it. Before she used it she had a bad cough, and had bled from the stomach or lungs. The cough has entirely disappeared and she is as well, or better, than she has been for ten years.

Very respectfully your old servant, JOHN T. WILLEY.

Proprietor of Hancock House, Quincy.

Letters from many other persons can be seen at the office.

E. S. GOODWIN, Agent,

110t 218 Washington Street, Boston.
